Chairman's Message

I am immensely happy to write these few lines in the annual report of North East Diocesan Social Service Society, as it gives you a vivid picture of the entire activities carried out during the year, fulfilling its prioritized regional development aspirations. Many innovative programmes are drawn up and executed with utmost care, efficiency and professionalism under the able leadership of Executive Director and his able collaborators and professional staff.

NEDSSS functioning as a regional Forum for the entire Northeast India, it initiates many social activities and engages itself in several economic, socio-political and cultural transformative processes. The organization by its timely adoption of relevant perspectives, strategies, policies, systems and planning continues to be a relevant and vibrant institution.

The organization's approach, in responding to the emerging societal needs, emphasizes the necessity of harnessing local resources and building the capacity of different stakeholders and assuming the responsibility to bring about their own transformation. It is perceptible in every activity of the organization whether it be peace promotion, health intervention, educational support, livelihood promotion, disaster risks reduction or campaign for healthy environment engagement etc.

NEDSSS, being one of the fora of Caritas India, takes forward its strategy to every segment of the regional network, basing itself in the Catholic Social Teachings of the Church and the Gospel values. The Key Strategy Pillars of this great plan namely Empowered Animation, Dialogue, Sharing Community and Voluntarism are being incorporated into the programmes of NEDSSS and its partners in order to ensure, dignified existence, sustainability, ownership and mobilization of resources for the transformation of the society. It involves a lot of hard work, coordination, planning and collaboration. Therefore, it is my wish that all those who are associated with NEDSSS give united support and cooperation for the realization of these common goals.

I take this opportunity to thank the Executive Director and his team for their selfless services for the realization of the organizational goal.

Yours sincerely,

A handwritten signature in blue ink, reading "+ John Moolachira". The signature is written in a cursive style and is positioned above the printed name of the Archbishop.

Archbishop John Moolachira.
Archbishop of Guwahati

Director's Message

I am happy to present you the annual report of NEDSSS for the financial year 2018-2019. The presentation of this year's report is a bit different from the usual pattern and outlay. The reports are made more brief with substantiating photographs to make the report more attractive and interesting.

The bygone financial year, the duration that is covered by this report witnessed a conscious effort made to mainstream the strategy plan rollout of Caritas India into every programme or activity of both NEDSSS and its partners. This effort is an ongoing process and it has to be taken forward in the coming years at all levels in the dioceses as it was decided in the biennial national assembly of Caritas India, held in last October at St. John's Medical College, Bangalore. Special emphasis has been given, in the first place to create an institutional interest to own this programme and then to disseminate to all our stakeholders.

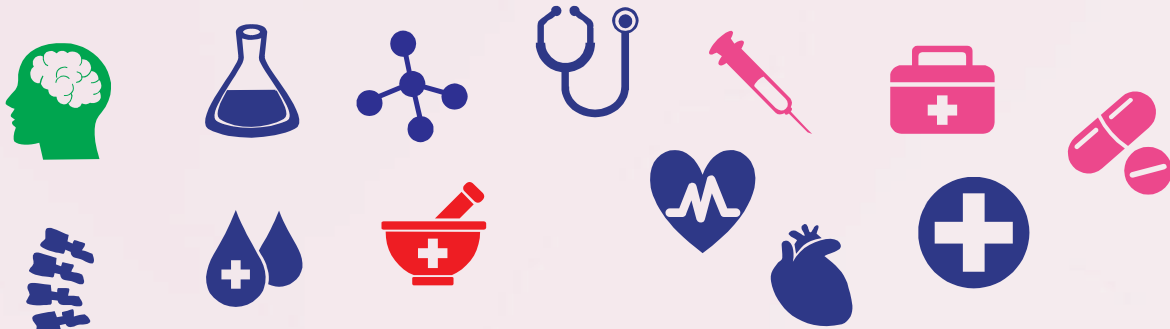

The strategy plan is worked out in such a way that it takes into account the underpinning values of the Social Teachings of the Church and the Encyclical of Pope Francis "Laudato Si" on 'care for our common Home,' namely the Human Dignity, Common Good, the Environmental Concerns. A better understanding of the Key Strategic Pillars of this important document sharpens the understanding for those who are engaged in His diakonia ministry.

A careful reader of NEDSSS' activities will observe the application of the Key Strategy Pillars (KSPs) namely the Empowered Animation, Dialoguing, Promotion of Sharing Communities and Voluntarism reflecting in all the activities. These KSPs have to be kept in mind in our future engagements in Planning, Execution, Evaluation and Monitoring to bring in sustainability and continuity to all our programmes. The people-centered approach will bring forth a greater ownership and success to our programmes.

In the years to come the empowering animation of the communities and service delivery to various stakeholders need to be taken in a very collaborative manner with a bottom up approach where everyone involved in the transformative process, shares the resources within the capacity of each one. Thus, the development initiative evolves a greater ownership and continuity.

I take this opportunity to thank all my team members in taking forward this noble task and always strive hard to make NEDSSS' interventions more realistic and transformative. The efforts of NEDSSS become more fruitful when all its partners cooperate and collaborate with a common understanding and think in a similar wave length. So I appreciate the directors of all the diocesan partners and our collaborators for your hard work, support and appreciation given, to take forward the common vision of this institution. May God bless all our unified efforts. I request all the diocesan partners to customize each institution's strategy plan documents in line with the common strategy plan of Caritas India according to the local situation and environment. NEDSSS will always be there to give the handholding support to its partners in translating this plan in the regional perspective and making it more relevant to the local needs

Fr. Varghese Velickakam
Executive Director

CURE

Community Ushered Regional Effort In Health Care in North East

SDG 3 - Good Health and Well being

The Health project 'Community Ushered Regional Effort in Health Care (CURE) North East India' envisages Promotion of safe motherhood and child health and enhanced community competency towards malaria management in 254 remote villages in Assam, Meghalaya, Manipur, Arunachal Pradesh and Mizoram in North East India through participatory and people led preventive and curative health care measures.

Project reaches out to 7 Diocesan Social Service Societies, 6 dioceses, 15 districts, and 31 health and 254 villages

The target groups are pregnant women, mothers, children, adolescent girls and the people in general for malaria management from 254 villages.

Goal

Promotion of safe motherhood and child health and enhanced community competency towards malaria management in 254 remote villages in Assam, Meghalaya, Manipur, Arunachal Pradesh and Mizoram in North East India through participatory and people led preventive and curative health care measures.

Specific Objectives

1. To increase the rate of institutional delivery by 40% and the number fully immunized children up to the age 2 years by 30% in 254 villages by the end of project period.
2. To reduce the occurrence of Malaria by 30% in the project operational villages through preventive and curative measures in 254 project villages by the end of project period.
3. To make the Health Facilitation Centers (HFC) functional with great relevance in order to reach their service to at least 60% of the population by the end of project period.

Health activities

MCH cum nutritional camp at village or Health centre level. 3739 villagers benefited

Orientation on MCH and maternity benefits to various stakeholders. 191 people benefited

Health awareness seminar for adolescent girls at schools/village. 3444 individual benefited

Malaria detection and awareness camp at villages / HFC level. 2295 people benefited

Peoples organization sensitization meeting at Jisong Asong Diphu. 22 individual attended

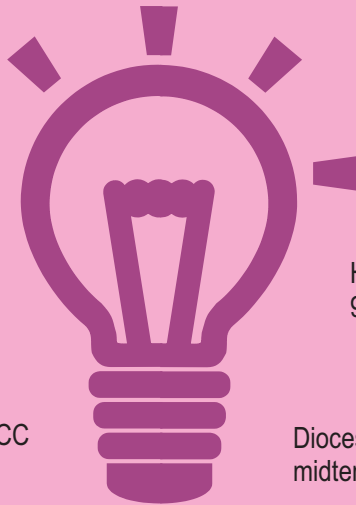

Training /orientation on role of VHTFs/VHSNC/HCC and other groups in health care, 1296 benefited

Profiling and updating the information through participatory exercises, at Jisong Asong, Diphu. 38 participated

Public consultation meeting with 101 villagers

Health Summit at regional level. 90 benefited

Diocesan level review meetings-quarterly/ midterm evaluation/ health core group meeting

SUCCESS STORIES

Service leads to honour

Justina Timungpi is a village health worker of Motha village having 80 families over a population of 384. She is also the ASHA of PHC Jrikyndeng and is assigned to work for 1000 population. She rendered her selflessly service for the pregnant mothers, children and other patients. She visits the village regularly and on mother and child health, malaria, and gives health education on diet. She advice them to go for regular check up and also accompanies patient to hospitals for the deliveries. She was awarded for her hard work, compassion and untiring spirit by block PHC with trophy and certificate of Appreciation last year. She was again honored by the Hon. Chief Minister of Assam on the occasion of 67th Foundation Day of the Karbi Anglong Autonomous Council (KAAC) on 23rd June 2018. She was given a scooty for her best performance in the health sector for the year 2016 to 2018.

Motivation leads to Transformation in Health and Hygiene

The name of the village is Madan which is a very remote village in Karbi Angel district of Assam having the population of 343 with 60 households. They belong to different religion following very rigid religious practices whether they are Christian or Hindus. The health worker who was in charge of this village had very difficult time to convince them on the importance of having a toilet nearby their home since they were following open air defecation. The villagers had only 5 toilets in their village 2015. The health worker Miss Gracery Sten motivated the village community to build a toilet adjacent to their houses. Her constant motivation, education on health care brought about a real transformation. They realized the importance of maintaining hygiene, good health. This changed the mindset of the villagers for having a toilet at home. Each family made a toilet nearby their house by their own effort and manual work.

PEACE

Peace Building and Conflict Transformation in Northeast India

SDG 16: Peace Justice and Strong Institutions

Goal

Peace and harmony prevails by bringing about change in policy and structure in favor of vulnerable sections and recognizing the rights of every individual and group to live in dignity, safety and peace.

Partners

1. JUST Agartala
2. DAN/Peace Channel
3. DSSS Imphal
4. BGSS Bongaigaon
5. NESRC Guwahati

Activities

- Training of women leaders
- Workshop on human rights
- Building research skills
- Dialogue for peace
- Peace Awards
- Peace celebration
- Training of church leaders and peace activists
- Seminar cum meeting of heads of schools
- Standardization of peace building and conflict resolution training manuals
- Capacity Building for Teacher Animators
- Inter school peace activities/Peace Rally
- Peace seminar for college students
- Training of religious and community leaders on conflict resolution mediation and dialogue

Life skill and leadership training with the school clubs

Achievements

- Reached to 48546 People (21997 M, 26843 F) Through the different activities
- Training components for teachers and peace club members and other target groups are made available and used for capacitating the target groups
- 12996 PC (6243-M & 6753-F) members have become peace agents as they resolve conflicts among themselves, have stopped the elders in the village when fights arose and have helped the neediest people in their village, by contributing small amounts for the cause.
- Network with regional groups such as CBCNEI, ABC, CASA (*Church's Auxiliary for Social Action*), JPMT.
- In Nagaland, Network is created with PFP, BCM and others. Civil Society Organization and NGOs like PFP, CAN* Youth, DAN, DCF and NEISSR have been extending their support to all the activities of the project in Nagaland
- In Manipur, network with TCLF (Tribal Churches Leaders Forum), AMCO (All Manipur Christian Organization) and AMCU (All Manipur Catholic Organization), Love Manipur, Widow's welfare Association and Nazarene Ministry exists
- MOU have been signed yearly with 66 school authorities across the project areas for implementing peace activities
- Confidence and motivational level of 4126 SHG women increased as a result of different training programmes to resolve conflicting situations.
- Women Peace Club members empowered to resist and respond to social evils (Alcoholism, Gambling etc.)
- Increased participation in Public demonstrations and campaigns against social evils (The members of SHGs, Rani Gaidinlu and Thuicham Resource centers of DSSS along with Rongmei Lu Phuum (RLP), participated in a rally from Imphal to Jiribam with public meeting and rally at Noney and Jiribam)

CAPACITY BUILDING

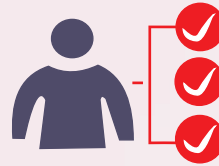

of DSSSs on Resource Mobilization and Succession Plan

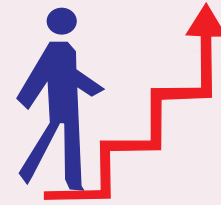

Support

Knowledge

Skills

Development

SDG 11: Sustainable Cities and Communities
SDG 17: Partnerships to achieve the Goal

Capacity building project of 15 DSSSs in Northeast on resource mobilization and succession policy for a period of three years, supported by Caritas India, focuses on tapping existing government resources (projects/schemes, benefits or trainings etc.), and available resources from within the Church institutions and on implementation of succession policy at DSSS partners.

Goal

15 Diocesan partners are capacitated to regularly mobilize resources from government departments, foreign agencies and local institutions.

15 Diocesan partners' Resource Mobilization Policy is in place and systems are effectively managed and streamlined across projects and programmes and have their own succession policy to reduce ambiguity during leadership change.

Activities

- Workshop on resource mobilization
- Development of resource mobilization Policy and succession guideline
- Regional level review meeting
- Consultation and interface meeting Govt. and Civil Society Organization

Achievements

12 Diocesan partners have their resource Mobilization policy

DSSS Imphal has become a nodal agency for organic in manipur through direct and indirect initiative of NEDSSS

Diocesan organizations realized the importance of local resource mobilization from Government/Corporate sectors, income generation activities etc. They started writing projects and submitted to different donors agency

Increased networking and collaboration with Govt. Dept. and other civil society organizations

RAST

Regional Action on Social Teachings

SDG 16: Peace, Justice and Strong Institutions

The project on Catholic Social Teachings and Key strategic Plan of Caritas India is implemented in 16 Diocesan Social Service Society of North East India. The project aim at understanding the core values of the teachings and address the issues collectively. The central theme of the project is on the matters of human dignity and common good in society. The ideas address oppression, the role of the state, subsidiary, social organization, concern for social justice, integral ecology and peace. The information's are channelize through strategic action of Empowerment animation, Dialogue, Volunteerism and Giving Community

Goal

The core values of Catholic Social Teachings and Caritas Strategic plan is well established in the communities where by human dignity and common good exist in the society.

Activities

- Project orientation for directors and key staff at partners level
- Regional level training for wider groups (all Church-based NGOs of the State/ both DSSS and other NGOs run by the different Religious Congregations)
- Developing Catholic Social Teaching & Caritas India Strategic Plan promotional materials in the local language
- Cluster Program planning and review meetings

PEC

Promoting Education Culture among children of 16 Tribal villages in Kamrup & Biswanath districts of Assam

SDG 4: Quality Education

Goal

Tribal children in 16 villages in the district of Kamrup and Biswanath, Assam are able to access education and the villages are free from social evils that affected the children by 2020.

Activities

- Daily tuition
- Enrollment of children in the bridge school
- Admitting dropouts in formal school
- Orientation
- Capacity Building
- Sensitization meetings on right to education
- Observation of important days
- Meetings with children, parents, village leaders, and local Govt.
- Formation of Children Parliaments (CPs)

Achievements

More than 500 students in 8 centers are attending regular education

01

Evening classes in 8 bridge schools continue to help the children from target villages through tuition and other extra curriculum activities.

8 Children Parliament formed

02

06

600 households benefited from motivational home visits and training

03

05

The centres helped children to develop their life skills, and values

04

The centres have emerged as an inclusive learning place where children belonging to different communities come and learn without any discrimination of caste or creed.

Significant change

Participatory Rural Appraisal by Bridge school children

Children of Bridge school did mapping of their villages as part of formation of Children's Parliament. The mapping includes:

- Resource mapping
- Social mapping
- Seasonal mapping

These mapping helped the children to mark all facilities and resources available. Like schools, post office, dispensary, mother and child care center, roads, water tanks, fields, trees, etc. Children mark the linkages between the various peoples, groups, institutions in the society. They also identified the various seasons, and the advantages and problems in each season.

CHEER

Children for Education Environment and Rights Sonitpur District, Tezpur

SDG 4: Quality Education SDG 10: Reduced Inequality

Goal

Prevention and abolition of child labour and creation of child labour free zones in the tea gardens of Assam.

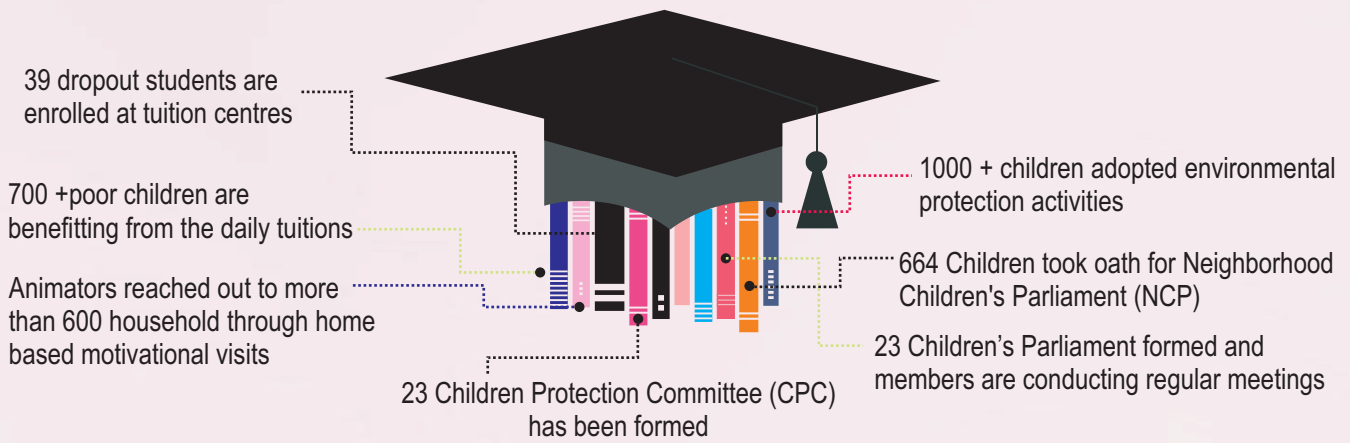

Activities

- Project Orientation
- Baseline study
- Workshop on Children's Parliament
- Formation of Children's Parliament
- Swearing in ceremony of CPs
- Admitting dropouts in school
- Motivational home visit
- Observation of important days
- Daily tuition classes

Achievements

ALERT

Alternative Livelihood Education, Resource and Training Centre

SDGs: 1,2,3,8,10 and 11

Goal

Tribal women of Kamrup Metro district Assam and women leaders from the neighbouring dioceses will have sustainable livelihood with stable income through coordinated efforts and the establishment of training and resource centre for alternative livelihood

Activities

- Set-up alternative livelihood education, Resource and Training(ALERT) centre
- Project orientation meeting/village level orientation
- Formation and strengthening of for Women Entrepreneurs Groups(WEGs)
- Capacity Building for members Women Entrepreneurs Groups(WEGs)
- Alternative income generation training from the ALERT Centre
- Strengthening of women on entrepreneurship

Achievements

1. 50 SHGs members trained on detergent making and started for income generation activities
2. 56 women are trained on mushroom making & vermi compost
3. 6 women groups are formed for entrepreneurship

ENVIRONMENT PROTECTION

Educating and mobilizing citizen to promote healthy and sustainable development

SDGs: 6,7,12,13,14, and 15

Global Climate Literacy

End Plastic Pollution

Protect Endangered Species

Climate Change

Tree for Earth

Main Focus

Target group

Civil Society Organization (NGOs)

School/College students

Principals/Teachers

Youth

Policy makers

Environmentalists

Activities

- Awareness campaign
- Signature campaign
- Workshop & seminar
- Tree plantation
- Dialogue
- Paper bag making
- Rally
- Cleanliness drive
- Assembly pledge
- Drawing & painting competition etc.

WASH

WASH with nutrition for better health

SDGs: 3 and 6

Goal

Improved nutrition outcomes amongst mothers and young children

Target Area

1. Barpeta 2. Darrang 3. Goalpara 4. Tinsukia 5. Sivasagar

Objectives

Provide support in developing a pool of master trainers at the district level

01

Develop cost-effective plan for WASH in Anganwadis

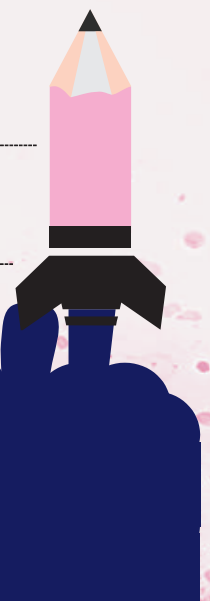

02

Increase knowledge of service providers on linkage between WASH and nutrition

03

Behavioural change of the target communities and imbibing the best practice on WASH and thereby contribute in reducing open defecation

04

Activities

Training of trainer for ICDS supervisors and CDPOs

Capacity building of frontline functionaries

District level consultation with Government and civil society organizations

Achievements

250 Anganwadi workers orientated on WASH practices

Increased knowledge of service providers on linkage between WASH and nutrition

Behavioral change in imbibing the best practice on WASH

Contribute in reducing open defecation.

FWL

Formation of Women leaders

SDGs:5, 10 and 16

Goal

To Strengthen and nurture the women and their families

Activities

- ▲ Regional level: Training of trainers
- ▲ Workshop on human rights
- ▲ Diocesan level training on leadership
- ▲ Regional level training on marriage and family
- ▲ Women leaders training on income generation
- ▲ Regional level training on mainstreaming of gender
- ▲ Regional level training on effective communication

Outcome

- ▲ The women from the Dioceses had deeper knowledge of human rights
- ▲ It has helped them develop more leadership skills
- ▲ The participants understood on the importance of an effective communication skills
- ▲ The training also imparted the skills of basic counseling which women can use while visiting families having conflicts
- ▲ The training has helped women to come forward to participate in meetings at various levels

RELIEF

Emergency Response to flood victims

SDGs:3, 6 and 13

Goal

To restore the health and livelihood situation of flood victims of Golaghat district in Dibrugarh diocese, Assam.

Activities

- 30 KGS rice 5 kilos of dal was given for
- 250 household
- Water filter and bleaching powder were distributed to 250 families
- Wash kits comprising of dish wash, hand wash and surf were given to all the 250 families
- 7 main staff and more than 20 volunteers were involved in the distribution
- Basic health services for at least 250 families
- reached out including men women and children
- Basic health facilities are assessed by the community
- Two doctors from the block health centre and one pharmacist and two nurses extended their services for the health camp

Achievements

The immediate health risks of the flood affected and displaced population are reduced two nurses extended their services for the health camp

Our intervention helped them to bring their life to normal

The risk of water and sanitation related diseases have been reduced

Personal hygiene were maintained

The immediate health risks of the flood affected and displaced population are reduced

People are prevented from high change of infected from water-borne diseases, such as typhoid fever and cholera

YES

Youth Employment and Safety

SDG 8: Decent Work and Economic Growth

Goal

To create an enabling environment for the youth of North East region so that they can be economically self-dependent, contribute to the development of the region and be an active participant in the developmental efforts of the nation.

Coaching for Civil Service examinations

54 Candidates enrolled in the third batch

Motivational programmes and awareness campaigns across schools/colleges/youth conventions

INTERNSHIP

Promotion of Volunteerism

MSW students of
University of Science and Technology Meghalaya (USTM) and
Assam Don Bosco University (ADBU)

Activities conducted

- Home visits
- Survey
- Formation of Children's Parliament
- Awareness programs
- Livelihood activities

CONSTRUTIONS

Training Centres and Jubilee Memorial Hall

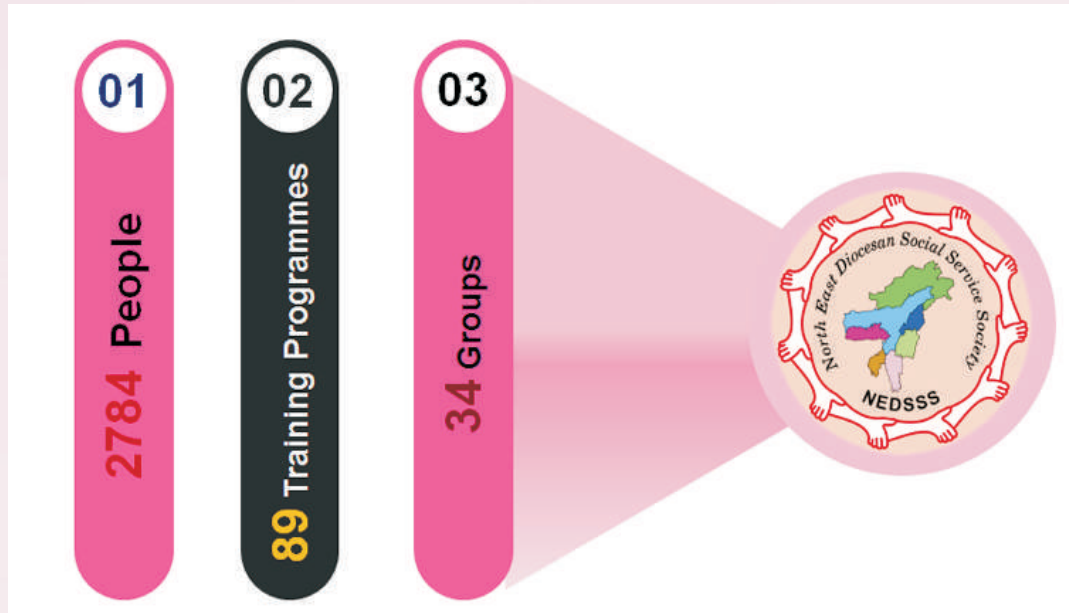

Training Centre at Benganabari Khetri, Assam

Jubilee Memorial Hall work in progress

Utilization of infrastructure facilities at NEDSSS in 2018-19

New initiatives of NEDSSS

Psycho-social animation for religious women leaders

Project on empowerment and entrepreneurship development of women farmers in Assam

Children's Parliament in north east region in collaborations with like minded NGOs

Transformation of our health centers to wellness centers in line with government's thinking

Production of medicines in collaboration with NMSC (Jan Aushadhi model Pradhan Mantri Bhartiya Jan Aushadhi Pariyojana Kendra (PMBJP))

SWOC

STRENGTHS

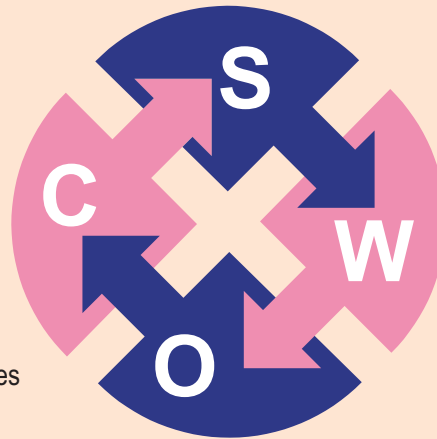

- Political will to promote development
- Networking nature
- Administrative system and legal compliance in place
- Committed staff
- Very good infrastructure facilities
- Open to organizational assessment
- Visibility and good will
- Capacity building opportunity

OPPORTUNITIES

- Availability of local resources.
- Wide reach out area
- Supporting agencies
- Diversification of programmes
- Research and idea generation possibilities

WEAKNESSES

- Trickling down of regional vision to different segments
- Inadequate innovation culture
- Slow paced progressive thinking and idea generation
- Unavailability of competent Human Resources

CHALLENGES

- Filing returns and the support received from the diocese
- Relocating/positioning NEDSSS in line with legal compliance
- Adopting minimum wage policy
- Developing systems for Local resource mobilisation
